

## Ellerbe's Special Month

Cheers to Ellerbe Fine Foods, which turns 2 this month. To celebrate, co-owners Richard King and chef Molly McCook will donate a portion of the restaurant's revenues for the week of June 6 to the Fort Worth chapters of Susan G. Komen for the Cure and the Alzheimer's Association, along with Shriners Hospitals for Children. And on June 5, from 2:30 to 3:30 p.m., Ellerbe debuts its Sippin'

Sundays, a special wine-and-snack-filled hour set to take place the first Sunday of every month (give or take a month or two if the Sunday falls on a holiday). For the June 5 event, King will pour and discuss four wines from the Chehalem Winery in Oregon's Willamette Valley, and light snacks like cheeses and meats will be served.

Buy any of the wines featured during the event and enjoy a discount. 1501 W. Magnolia Ave., Fort Worth, 817-926-3663.
